Circular

As per policy, no application is allowed to have its own login page rather all applications should be accessed through SSO portal only. It has been observed that some applications/websites developed by RISL/DoIT have created their own login page where they consume SSO service for authentication. This is sheer violation of the policy and can not be accepted.

All OICs are hereby directed to ensure that no captive login page is functional / accessible on their application/portal by 27.11.2017 failing which action may be taken against concerned OIC as per rules.

Copy for information and necessary action to:-

1. PS to Principal Secretary, IT&C
2. All OICs/Project Officers.
