The Collector,
Collectorate Office,
Ajmer District

Subject: Appointment of Building Nodal Officers at all Vertical PoP signed and Horizontal offices for RajSWAN project

Dear Madam,

As you must be aware that implementation of RajSWAN is in progress and RajSWAN operator i.e. M/s Bharti Airtel Limited in consortium with M/s Trimax Infrastructure Pvt. Limited would start installing the required hardware at various Vertical PoPs and horizontal offices located at District and Block/Tehsil Head Quarters.

To ensure timely implementation of the project, we have proposed Building Nodal Officer for each Vertical PoP and Horizontal building office at District and Block/Tehsil Head Quarters. The list of the proposed Nodal Officers is enclosed for your kind reference as ANNEXURE-A. There might be some building which will have other departmental offices co-located in the same building. In this case, we have proposed only one Building Nodal Officer to bring uniformity. For horizontal office building for which Building Nodal Officer name has not been given/mentioned in the ANNEXURE-A or the mentioned officer has been transferred, it is requested to fill the details of a new Building Nodal Officer.

(post
wrote)

The Building Nodal Officer would be required to undertake the following activities –

1. Support and co-operate RajSWAN operator for identification of proper location for installation of equipments at respective horizontal office buildings.
2. Building Nodal Officer would physically verify the delivery of the materials at the respective DHQ PoP, BHQ PoP and Horizontal office and sign the Material Delivery Certificate which would be given by the RajSWAN Operator. A copy of the delivery challan is placed as Annexure-B for your reference.

You are requested to confirm if the names proposed are correct or else please nominate a Building Nodal Officer as per availability and send us the information at the earliest.

Thanking you,

Sincerely yours

Sanjay Malhotra
