**Sub: Phase (II) Training for newly developed State Portal for Rajasthan.**

Sir/Madam,

In reference to above subject it is to inform you that the new State portal has now been developed for Government of Rajasthan (<http://stateportal.rajasthan.gov.in/> ) and shortly it would be put in public domain.

All the Departments will be provided access to create/approve the contents (pertaining to their department) in the State Portal.

Another phase of half day trainings is being organized to acquaint the departmental user with state portal for updation of information of the concerned department. Training will target on the following:

- enrich and update the contents on the State portal
- resolve the issues faced during updation of contents in the portal
- Create the database of the stake users of departments ( creator, moderator etc )

You are therefore requested to nominate two designated officers ( Creator/ Moderator / Approver) for the training as per the schedule enclosed . The participants may attend the training with soft copy of the contents of the department

Yours sincerely

Sanjay Malhotra  
Secretary & Commissioner(IT&C)
