

GOVERNMENT OF RAJASTHAN
Department of Information Technology & Communication

U.O. Note

Subject : **Regarding development of web sites and portals.**

As per directions and approval of the Hon'ble Chief Minister, DoIT&C has initiated the Rajasthan Government Web Restructuring Plan that envisages proper web aesthetics, technologically up to date web sites and portals, along with unification and centralization of information available on websites and portals under the aegis of Government of Rajasthan with complete compliance to International and National guidelines and web standards.

Therefore, as per the directions of Secretary, IT&C, all Projects OICs of DoIT&C and RISL must ensure that any website / portal being developed should be an integrated gateway to the departments various verticals, and should conform to the web restructuring Plan. It should be got approved by Secretary, IT&C through OIC (Website), DoIT&C. Further any recently developed websites / portals, may be reviewed in this light and changes made as required.

All OICs must also ensure intimation of request/proposal for website/portal from any department/PSU/organization under any project, to OIC (Website), DoIT&C.

This bears approval of Secretary, IT&C.

(A.M. Deshpande)
Technical Director
& Joint Secretary

All Projects OICs,
DoIT&C / RISL.
