

No. : F11(237)/DoIT/Project/14/I/17786/2014 Date : 28/03/2014

Circular

Aadhaar Based biometric Attendance module was introduced in DoIT&C from 10/03/2014. Presently, all the employees are making their attendance on previous Biometric Attendance System as well as new system based on Aadhaar. Now, it has been decided that employees may mark their attendance using one of the Biometric Attendance System (Preference shall be given to Aadhaar Based System).

In case of Authentication Failure at one of the Biometric Attendance System, attendance should be marked on other Biometric System. Dr. Hansraj Yadav, Addl. Director or Sh. Suneel Chhabra, S.A (Joint Director) may be contacted for any further clarification/enquiry regarding Biometric Attendance System.
