OFFICE MEMORANDUM

Office of RGI (ORGI) has released unique codes at the national level (<http://www.censusindia.gov.in/2011census/Listofvillagesandtowns.aspx>), for various revenue land regions - state, district, sub-district village and town. The .XML files for these codes have been made available on the e-Governance Standards Portal (<https://egovstandards.gov.in>) for easy implementations in the e-Governance Systems.

DeitY has notified "Metadata and Data Standards for Person Identification & Land Region Codification-- MDDS-Demographic Ver 1.1", in November 2011 for e-Governance Applications having these land region codes.

The undersigned is directed to convey that all the Applications, being developed or to be developed under e-Governance Projects, should use the Code Directories of Generic Data Elements for Land- Region Codification available at <https://egovstandards.gov.in/code-directory-land-region-codification> with immediate effect.

A. Gulati
