

GOVERNMENT OF RAJASTHAN
Department of Information Technology & Communication

No. F9(102)/DoIT/Trg/1/Part1/03879/2022
Office Order

Jaipur, Date : 13-06-2022

In our consistent efforts to nurture the IT advancement in the state and create a competitive environment among associated firms, the State Government in its Budget for the FY 2022-2023 has announced the procurement of Drones to ease its functioning.

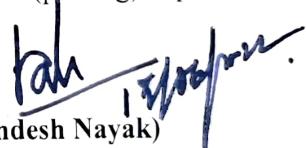

In the same regard, Department of Information Technology & Communication, Government of Rajasthan is organizing a one day “Drone Workshop” on 16th June 2022 as per following details:

Time	Venue
9:30 AM – 5: 30 PM	Bhamashah Techno Hub, Jhalana, Jaipur

The objective of the workshop is to provide a prodigious platform to OEMs and Service Provider Vendors to showcase their drone capabilities. The event shall provide participating departments with an opportunity to interact with the technology solution provider. The draft agenda is enclosed herewith for your ready reference.

All officers of the DoIT&C (System Analyst(JD) and above) along with officers of RISL (Manager(T) and above) and SeMT consultants are hereby directed to attend this workshop.

In case of outstation officers, TA/DA shall be borne by their respective (posting) departments.

(Sandesh Nayak)
Commissioner & Joint Secretary

No. F9(102)/DoIT/Trg/1/Part1
