

GOVERNMENT OF RAJASTHAN
Department of Information Technology & Communication

F5 501(61)/DoIT&C/2022/ 05488/2022

Jaipur, Dated : 18/08/2022

Office Order

Government of Rajasthan has established an Eco-System for not only effective and transparent service delivery, but also to ensure exponential growth of IT Sector in the State. We have been emphasizing continuous upgradation of infrastructure, incentivization for IT/ITeS stakeholders including Start-ups and capacity building. For the purpose, we believe in continuous stakeholders consultations.

As a part of this process, Rajasthan is organizing a two days "**Rajasthan Digifest**" on **19th and 20th August, 2022** at **B M Birla Auditorium, Jaipur**. The theme of this Digifest would be youth centric skilling and employment. During these two days, interaction between industry, entrepreneurs, academia, start-ups, Government and youth would help in synergizing the effort and also provide enriching experience for all.

All SA's/ACP's/Programmers posted in other departments at districts other than Jaipur are hereby cordially invited to attend this event.

(R. Varda Rajan)
Technical Director
